

# GEMARTS Mini Zine Making

## Mini Zine Making

Zine making is a way to express yourself and share your passions and interests with others

You can create sketches, drawings, mini-comics, mix words with images and textures  
Print lines of poetry and create stories

What you can include in a zine is only limited by your imagination.

## Mini Zine Making Materials:

Paper  
Scissors  
Pens/ Pencils/ Crayons  
Magazines  
Glue Stick  
Stampers

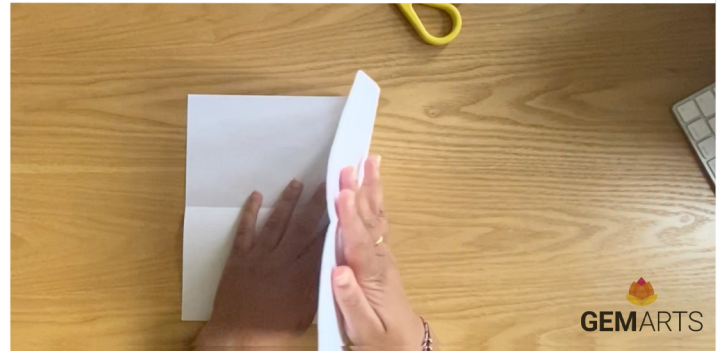

Any crafty materials around your house

Fold the A4 paper in half lengthways then open up

Fold the paper in half widthways

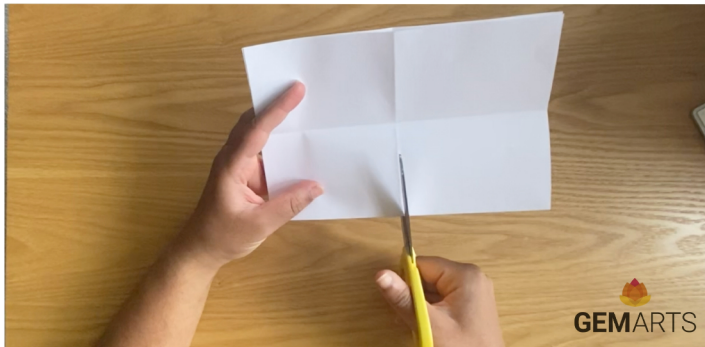

Fold the paper in half again widthways

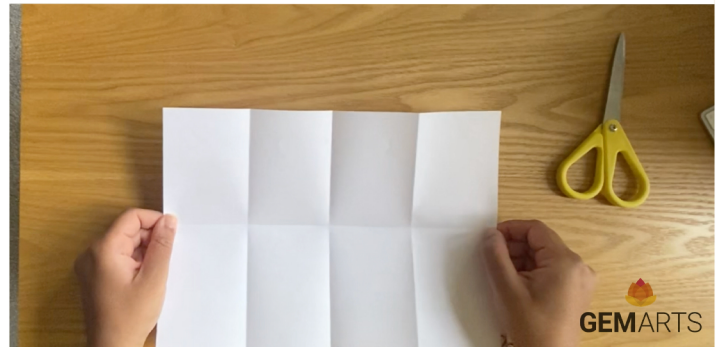

Open up the last fold you made

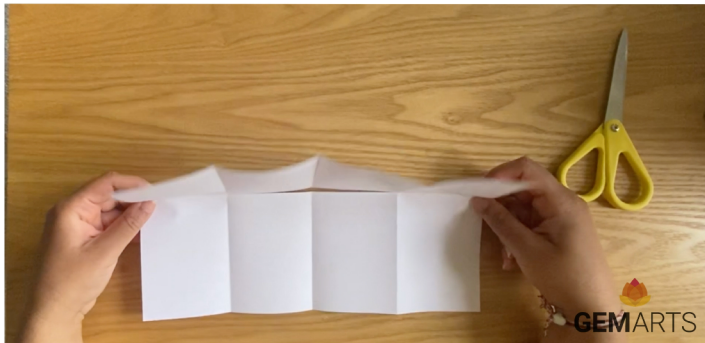

From the folded edge cut to the centre of the page

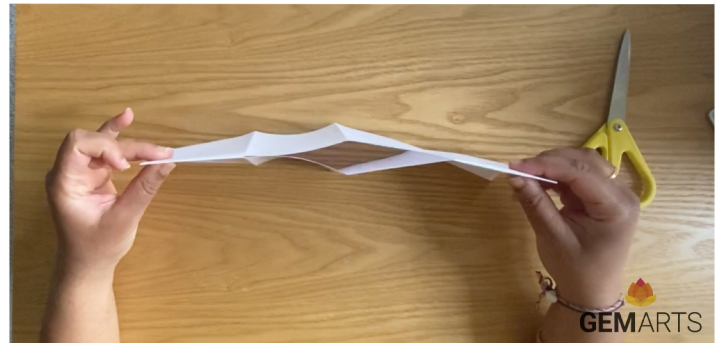

Now open the paper up

Fold your paper lengthways (along the crease that has the slit)  
Hold the paper at either end

Fold your paper lengthways (along the crease that has the slit)  
Hold the paper at either end

Push the ends in towards each other  
The sections should fold into each other

Your book folding is now complete!
